SMOKE SIGNAL

From the Manager's desk...

Steve and I want to thank all the employees for a job well done. You help keep the park running smooth assisting the guests.

We also want to give a special thanks to the many volunteers in the park. Without them we would not be able to provide all the wonderful activities.

Several of you are leaving this month. We want to remind you of some things you need to do before you head home.

1. Be sure to leave forwarding mail labels in the office so we can forward your mail. If you need labels go to the computer room and have labels made.
2. Notify your home post office 2 weeks prior to your departure to stop forwarding your mail.
3. If you are an annual resident, hire someone to take care of your site while you are gone. Leave their name and phone number in the office.
4. Seasonal guest - please return your gate opener and mail box key to the front desk.
5. If you rent your site by the year, and have an RV, be sure to put a deposit for next season on your site so it does not get rented.
6. Check list for RVers: **Step up, Antenna down, Wife in.**

Pet owners-remember your pet must be on a leash at all times when outside even if you are sitting with them. Pets are not to go on any site but their own.

We hope you have a wonderful summer. Steve and I look forward to seeing you next fall.

Steve & Sally Jo Johnson

This park is like heaven to us so please do not drive like hell through it.

Sundance thanks Doug's Laptop for uploading the Smoke Signal to our website.

Sunday Worship & Fellowship

Church service is at 8:30 AM each and every Sunday in the Hole the wall. Pastor Scott Bailey will lead us in worship again this year. **Com-munion is held the first Sunday of each month.** Coffee will be provided before Sunday services. **Our last service this season will be the first Sunday in April 6, 2014.**

Be sure to check your March 9, 2014 Calendar for our next Ice Cream Social. Between 1 and 3 in the afternoon.

As you get ready to head home and close up your units, remember we will be having our food drive in March and April. All dry good, open or not, canned goods and open containers of all things, eggs and meat. We will be having our refrigerator in the hang out room for this purpose. All dry goods and can goods can be placed there too. Please remember if the jar of whatever is less than half full, please throw it away yourselves as that is what we do with it. This will help.

Thank You for caring,
Gloria and Carl Spencer

The grief support group has had two meetings and will continue to meet every 2 Saturdays in the card room from 2:00- 3:30 PM. March's meetings will be March 8th and March 22nd. It is not necessary to reserve a spot – just show up. Book Group To Meet on an Additional Day

The Sundance 1 Book Group has been meeting the first Monday of the month, but many have told me that they miss because of other commitments, so we're adding an additional date. The book group will now meet on the first and second Monday (same book). Please feel free to come whichever date works best for you.

On March 3 and 10, we will be discussing "The Monuments Men" by Robert M. Edsel. Many of you have told me that the book is "slow" which it is, but it's also full of history that I didn't know. Keep trying to get thru it. It improves as the history is revealed and the characters introduced. Many of you said you'd never pick up a book like this. Well, that's what we said was great about a book group. You read books you normally would not.

If you didn't read the book, come anyway to hear the discussion and choose the book you'll read for April. Or attend the movie which is currently in theaters.

DARTS...

"Darts" meet Tuesday and Thursdays at 4 pm in the Hang Out Room. There are three rules for playing darts, (1)-bring darts, (2)-bring food, (3)-have fun. The first two are optional.

Note: During the past few months, we have used the three (3) dart boards we had purchased last season, so we are collecting donations for dart board maintenance during the month of March. Sundance Quilters...

February was another busy month for the Sundance Quilters. We were challenged by Marie Breton to make something from fabric salvages and 33 of our quilters outdid themselves showing their creativity and talent. At our February Show and Tell luncheon ladies showed 41 projects including backpacks, a jacket, purses thread catchers quilts and even a self portrait all made from salvages. Thank you Marie for the challenge and program at our luncheon.

This month Carol Nesbett has challenged the quilters to make a charity quilt from a panel. These quilts will be on display at the quilt show. We will have one more charity quilt day on March 8th. We again invite everyone to participate.

Our end of the season party will be at the pool from 3:30-5:30 on March 12th. I look forward to seeing all of you there. Quilt show and challenge awards will be given there.

Sundance Park Flyers...

As you read this, I'll only have March to fly before heading back to Iowa. There'll still be several flyers that will be in the air thru April. We've had a couple of newbies learning to fly, and are coming along very good. Several of us have bought a new plane or two and are getting acquainted. Everyone is having a lot of fun flying and the weather has been wonderful this year. Remember—**Taking off is optional, Landing is mandatory.** Any of the flyers are open for questions. Anyone wishing to learn to fly is welcome and there is usually an experienced pilot to offer help or tips.

RC Cars...

A big thanks to all of the Sundance residents who came out to cheer for the drivers in our Powder Puff race held February 17th. It was a very hot afternoon, with hot racing action by seven of our drivers wives, who had a great time. All of the ladies had at least two opportunities to advance to the final race through one on one competition. After some hard racing, a few bloopers, and lots of laughs, the Powder Puff Champion who defeated all challengers was Kathy Schmidt of Montrose Colorado, driving the sparkly #6 "Montrose Missile". Congratulations to Kathy, and her crew chief Jay! Regular racing continues Mondays and Wednesdays at 3PM, until early April. We have 10 to 12 new drivers competing for the "Rookie of the Year" award.

What a winter!

Attention Everyone!

What are you allergic to? If nothing congratulations!

However, if you have allergies you know how bad they can make you feel! As we all get older our sense of smell is greatly affected especially by things that we all used to love. Remember how romantic aftershave on your man or perfume on your lady made you feel!

WELL not anymore. Many of us in the park get headaches (yes actual ones) or WORSE from the chemicals in the perfumes, lotions, soaps, etc. We also are affected by any fragrances, even from flowers! Please, if coming to any public room, do not use scented lotions, aftershave, perfumes etc. as you never know when you'll be asked to kindly wash it off. We

love you but your fragrant smell is killing us! Remember if you have used it for a long time, you can't smell it on yourself but others can smell you as soon as you arrive and long after you are gone!

Happy Go Lucky Singles...

We had our Feb. meeting on Feb 16th with 25 singles attending. We met at the Olive Garden with Darcus and Vi Hasting with a lot of good food and fellowship.

Remember—the singles meet in the card room for games on Sundays except for the 3rd Sunday of the month. Come join in the fun.

Relay For Life....

I am often asked “what does my dollar donation do?” Last year, nearly 38,000 cancer patients and caregivers stayed at a Hope Lodge at no cost. Every day, more than 2,200 people call the American Cancer Society for help with and information about cancer. Since Relay For Life started, 3.4 billion has been awarded for cancer research trying to find the cure for cancer. Thank you for your dollar!!

Our next raffle will have two winners. First winner will choose between a Swedish Weaving Throw and a Heart shaped necklace. Tickets are \$1.00 or 6 for \$5.00 and are on sale in Activities and at Monday morning coffee. We will also have new Luminaria bags and Cancer Awareness Bracelets for purchase at Monday coffee or at site 493. THANK YOU for the generous donations!

We will have a Luminaria Ceremony on Friday March 7 in the Hole In The Wall starting at 6:00 PM. Please come and join us as we remember loved ones lost to cancer and rejoice in another year of surviving cancer. Light refreshments will be served following the ceremony. Luminaria bags can be purchased at Monday morning coffee or at site 493.

The Casa Grande Relay For Life event will be on March 15 starting at 6 PM through 6 AM March 16 and will be held at Casa Grande Union High School at 2730 N. Terrell Rd. This year the Relay is teaming up with the food bank and is asking for a can item to place in the Luminaria bag instead of sand. The can goods will be collected and donated to the food shelf.

If you wish to join or help our Sundance team you can sign up in Activities or go to www.relayforlifeCasaGrandeAZ.com and look for Sundance RV. If you need help signing up let me know. Looking for any one that can help out for a great cause.

Monday Night Music Jam...

With the season coming to an end, we hope we have played some of your favorite songs, some you have not heard in a long time or maybe some you have never heard before.

We have had several new players join our group and are starting to see more people from outside the park coming in to listen and play. We welcome anyone and everyone. The last couple of months we have averaged over 150 people in the audience and about 30 players each night, almost half are from this park.

This year has been so much fun and we all hope you feel the same way.

There will no music on Monday the 17th because of the St. Paddies day dinner, but we will return for one more show on the 24th.

From all the musicians a great big thank you to all who come out to give us a listen. I personally want to thank all the musicians for making this a year to remember. And a special thanks to all the people who help setup and tear down, we couldn't do it without your help.

If the good lords willing and the creek don't rise we will see you all next season.

Have a safe summer we want to see all of you next season.

Thanks to all.

Genealogy....

Our genealogy meetings for the month of March are as scheduled;

March 5th, Jan Wilcox will give a program on the FamilyTree Software. She will show all the in's and out's of the package and show you the benefits of putting your family tree information on the computer. She has done this program in the past and it is very informative. She now has the newest update so do not miss this program.

March 19th will be a roundtable discussion on any problems you may have or any other information or shortcuts that you know that will benefit the class.

We welcome any and all persons interested in genealogy. If you are interested and don't know how to begin, we will give you some pointers and help you get started.

A big MAHALO!(thanks) to all who came out to participate this season. Although it seemed to go by quickly, everyone put in the time and effort needed to complete our new dance! As always, I have enjoyed (almost) every minute! Ha Ha No, I really have! Thank you for allowing me to be your "injured" KUMU HULA (hula teacher) this season. With grace from above I hope to come back in better shape next time! ALOHA (a fond farewell)...Until we meet again....Priscella

Writing your Life Stories...This group along with the Genealogy group had a combined meeting to hear from a guest speaker, George Ivins from Casa Grande. He told us how we could have our stories or information published for free at CreateSpace.com. He was interesting, informative and entertaining. Thanks, George.

Interesting stories are being shared on Wed at 2:45 in the Gamblin' Room. Come join us—if only to listen! Hopefully we can entice you to write your stories. Your family will love you for writing them.

At Sundance 1 RV Park we are currently transitioning from a park with specified pet zones to a pet friendly park. It is becoming obvious that passions run high in both pet owners and non pet-owners on this issue. In our opinion, a neighborly community is one where we are all responsible for doing our part to ensure that our personal preferences are equally balanced with a respect for our neighbors' personal preferences, within the guidelines of residential agreements.

Pet owners should expect that their neighbors will not always be as enamored with their pets as they are. As friendly neighbors, pet owners should be reminded that the patience shown by our non-pet-friendly neighbors regarding our animals is a gift, and as such should be treated with respect. Pets should be at all times kept on a leash AND supervised by the owner. Surprises are not always welcome to others. All poop should be scooped, bagged and disposed of properly; attempts to keep our park clean and our neighbors smiling should be a priority.

Non-pet owners should expect to see pets in the park, as the rules have been changed to accommodate pets in all sites. As pets, they can be counted on to bark when they see strangers or to greet their friends. We will hear barking. However, we should not expect to hear continued nor aggressive barking, and as adults we can all muster the courage to speak to our neighbors about possible problems when incidents arise.

Pets or no pets, we are neighbors and community. Let's all do our part to focus on the best and be friendly in our attempts to cope with the rest.
