SKY MED will be here on NOV 16th, sign-up today to reserve your seat for information and free lunch.

SkyMed picks up where traditional travel insurance plans leave off. Most people have health insurance; when they’re ready to travel, adding travel insurance should be enough to cover “life’s unexpected moments,” right? Wrong.

Being stranded somewhere other than your hospital of choice should never be an option. Unfortunately, this practice is widely accepted as being good enough.

Sky Med TAKES YOU HOME ®

Emergency situations don’t come with a warning: SkyMed offers peace of mind that can translate into thousands of dollars in savings should you need a medical evacuation when traveling.

Are you interested in helping with the **Christmas Float** join us for an information meeting on Dec 14th 6pm at the Ranch House.
