"Enjoy your day to the fullest! The day has just started, and there are a lot of things for you to complete before the day ends. Happy Wednesday!"

AED/CPR Training (Free and non-certified) presented by the American Heart Association today at 1 PM in the Hole in the Wall.

Music by "Two Tars" playing at the pool March 31st 6 –8 PM Admission by donation.

Todd & the Two-Tars is just me and two guitars ("Two-Tars"). I play many of your favorite 1970s and 1960s soft rock hits, plus a few surprises. I also can play a few new country hits, as appropriate. If you long for classic hits with authentic vocals, you'll enjoy the music like many who've listened for hours at each performance as they harken back to the days of 8-tracks, vinyl records and cassettes. Don't be surprised if you find yourself singing along to the familiar tunes. You'll be amazed at the authentic the vocals and how much the songs sound like how they were originally recorded.

Activities is working on events and room schedules for the 2023/24 season, bands are being booked, Tag Alongs are being considered, and room reservations are being scheduled. With the new season will also come changes,

- Bands/dances and Tag Alongs, with few exceptions have been very poorly attended this year and as a result will be fewer next year, those booked may be canceled up to 20 days in advance of scheduled date if minimum tickets have not sold.
- Room Reservations for social events will require a \$50 cleaning deposit. (For those already booked, a deposit will be required 30 days prior to event date. New reservations will require a deposit at time of reservation.)

- The Ranch House will require a room reservation for events exceeding 10 people. The Ranch House is to be reserved for group meetings, celebratory gatherings and social events; otherwise, it is open space for all residents to enjoy.
- Repeat of the same activity will be limited to two times per week. If a room is not being used, Residents can feel free to use that room at their leisure. This includes the Hole in the Wall. Anticipated minimum participation of 8 players/participants required October 15 thru end of March to reserve room (some exceptions apply).

As much as many around us feel the park is obligated to “provide” our entertainment, a variety of activities and space, this would be “fiction.” As the season comes to an end and residents depart for their summer homes, park staff and amenities offered become limited. As many have already noticed all around you prices have increased from fuel, food, rent, utilities, etc. The park has not been exempt from increased costs, and as the facilities age, more maintenance and upkeep is also being required as we see ongoing repairs all around us. We have been fortunate that management has been able to provide the needed spaces and supports all the wonderful activities we enjoy during the winter season, however none of them come without increased costs and limitations that have and will affect us as we continue to grow. Our hope is that everyone will take these factors into consideration when considering the “wants” versus “needs” of our growing community.
