

Activity's News Blast Mar 24th, 2023

March 24 is the 83rd day of the year; 282 days remain until the end of the year.

What National Day is March 24?

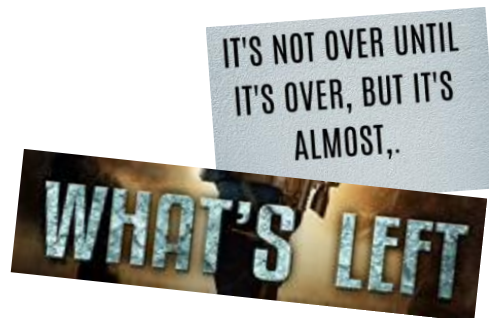

March 24th is also the National Day to commemorate everything from Agriculture to **Chocolate**

Covered Raisins.

Cheesesteaks and Cocktails

for the 2022-23 season,

- AED/CPR Training – March 29th
- Music by “**Two Tars**” playing at the pool March 31st. (\$5.00)
Todd & the Two-Tars is just me and two guitars (“Two-Tars”). I play many of your favorite 1970s and 1960s soft rock hits, plus a few surprises. I also can play a few new country hits, as appropriate. If you long for classic hits with authentic vocals, you'll enjoy the music like many who've listened for hours at each performance as they harken back to the days of 8-tracks, vinyl records and cassettes. Don't be surprised if you find yourself singing along to the familiar tunes. You'll be amazed at the authentic the vocals and how much the songs sound like how they were originally recorded.
