What is the **Sundance Dessert Theater**? It was started about 15 years ago as an opportunity for 'want-to-be' thespians to have a chance to show their skills. It has grown from a few friends coming to be an audience to three sold out nights the last week in February. This year's play, Complaint Department and Lemonade by Kamron Klitgaard, is a fun spoof on what other people think are problems with only one of the 15 characters having more than 40 lines. Tryouts were great yesterday but we could use a few more players. If you couldn't make the original tryout date please join us in the **Hole in the Wall on Wednesday, January 10, at 1:00 pm.** We are not a Broadway Show but volunteers and we know there are instances when cast members have other conflicting activities (monitoring. Tag-a/longs other act ) and we are

fine with that. As long we can devote enough time to have your lines memorized and are ready to perform. Hope to see more of you there.
