Our activity lost and found is full. If anything belongs to you, please come and pick it up. Thank you.

Check out the "I CAN HELP" book in Activities and sign-up today to help a neighbor, or volunteer to help with activities and events

I can help, I've got two strong arms, I can help  
It would sure do me good to do you good  
Let me help

**VOLUNTEER TODAY**

Will you be a new “light bulb” and help keep the “lights” burning, going into the 2024-25 season, talk to the room and activity coordinators, and activity office to see how can you help? It’s been 25 years since the park opened, during that time volunteers came forward to schedule games and activities that interested them and invited their friends and neighbors. People stepped in to run the ceramics shop, stained glass, lapidary, computer room, start a photo club, Desert Theater, Jammers, started a Church, and Veterans Club, RC race club, Pickleball, shuffleboard, bible studies, Golf scramble, organized holiday events and potlucks, helped with preparation and clean-up, bingo, swim exercise, walking group, and stretch exercise, collected books and started a library. JUST TO NAME A FEW. This year we have approximately 198 different activities including but not limited to (20+ state or group potlucks, cards/games, group/park meetings & seminars, dances, & entertainment.) These activities are run by volunteers. Unfortunately, those who started many of these activities are burning out....you know the analogy of a burned-out light bulb? When one burns out, they all burn out at the same time. The problem we have now is we can’t find enough new “light bulbs” to replace those that are burning out. Will you be a new “light bulb” and help keep the “lights” burning, going into the 2024-25 season

### TAKE RESPONSIBILITY

We have rules that will keep the park clean and safe for all residents and visitors, emergencies should be reported to the office or maintenance, after 5:00pm please call 520-426-9662, however they can’t be in every corner of the park 24-7 and can only do so much to enforce the rules. Calling to tell them a dog left a mess in your yard, or a golf cart was speeding or ran a stop sign cannot be enforced if you can’t provide names/identification and/or specifics. *All that we can do is continue to remind people of the rules in place, our hope is that Residents of Sundance 1, 2, 3 and TheButtes would take responsibility for their actions, and have respect for their neighbors and community by abiding by the rules that are in place.* Requests and/or complaints must be in writing with legible name, site # and signature to be considered. If you feel management or staff is not taking appropriate action or is the source of the problem, you may forward your complaint directly to the Town Council by completing a form in Activities or to the owner of the resort at 1703 N. Thornton Rd.

**Rules and Regulations for Sundance 1 & 3 have been updated. Your Signature is required to show notification and receipt of updates. please stop by the “MAIN” office to sign for and receive your revised copy.**

Have you been **recycling** your plastic film? Collection bins are located by both ice machines and at Sundance 2, #52. Aluminum cans go to Site #171 Newman St. and Site #384 Cooper St. or the can in the HW, Plastic bottles go to Site #19 SD2, or in the can in the HW

SHAME ON YOU! WHO’S

Leaving their dog mess behind, expecting someone else to clean it up?...

Risking the safety of other park residents by exceeding the 15-mile speed limit, and not stopping at the top sign?

Invading their privacy by walking through and between resident yards.

Putting TRASH in the recycle bins intended for plastic bottles, aluminum, and “other plastics”?

Not showering before they get in the pools?

Not crushing their boxes or leaving large items outside the dumpsters?
