TAKE RESPONSIBILITY

YOU SHOULD KNOW!

The Park is a fragrance-free Park. What are you allergic to? If nothing congratulations! However, if you have allergies, you know how bad they can make you feel! As we all get older our sense of smell is greatly affected especially by things that we all used to love. Remember how romantic aftershave on your man or perfume on your lady made you feel? WELL not anymore. Many of us in the park get headaches (yes actual ones) or WORSE from the chemicals in the perfumes, lotions, soaps, etc. We also are affected by any fragrances, even from flowers! Please, if coming to any public room, do not use scented lotions, aftershave, perfumes etc. as you never know when you'll be asked to kindly wash it off. We love you but your fragrant smell is killing us! Remember if you have used it for a long time, you can't smell it on yourself but others can smell you as soon as you arrive and long after you are gone!

YOU SHOULD KNOW!

Residents are responsible for the removal of large items such as furniture appliances etc. Check with the main office for assistance if needed. For a small fee they will arrange for disposal, or you may take items directly to the nearby landfill. Landfill disposal is free to residential users who show proof of residence within the city. Please take a current driver's license or a utility bill to verify your resident status.
