NEIGHBORHOOD WATCH PROGRAM-is active through the summer.

If you see something, say something

- Lock up your homes at night and during the day when not there.
- Keep your outside lights on. Lighting is the best prevention to crime
- Do not leave your keys in the cart at any time.
- In case of emergencies call 911 but if you see any suspicious activity call CGPD at 520.421.8700 then your Captain
- Do not confront the suspicious person(s) just call CGPD.

Recognizing the Signs

The citizens of Casa Grande are the eyes and ears of the city. They can see and hear things beyond the scope of the police department. When people become radicalized and violent, their behaviors and activities change. They may start feeling depressed and angry. Instead of focusing on education, work, or health, their lives begin to focus only on radical ideals. They may alienate themselves from others and display a change in habits and hobbies. These changes should be a red flag for suspicious behavior.

Other suspicious behaviors that could be reported include threatening to commit a crime, someone taking a prolonged interest in a building's security features, stealing, testing or probing security, attempting to enter a restricted area, and questioning personnel about an event or security beyond mere curiosity.

When reporting suspicious activity, remember that factors such as race, ethnicity, gender, national origin, religion, sexual orientation, or gender identity alone are civil rights and are not suspicious.

How to report

When reporting suspicious activity, be sure to include the 5 Ws: who you saw, what you saw, when you saw it, where it happened, and why you think it's suspicious.

Before you leave.....
