Sundance Church -- We invite everyone to attend our Sunday morning non-denominational morning services with Pastor Scott Bailey, held every Sunday in the Hole in the Wall at 8:30. If you are interested in singing in the choir, we meet at 7:50. Please join us.

Let's recycle.....

#1 plastic bottles with labels on them can be taken to Site 19 in Sundance 2, or the Hole in The Wall, proceeds will be used to benefit the humane society.

We are collecting **aluminum cans** again this year for the Veterans program in Sundance and Fairways. We live at site 171 on Newman Street. If they are crushed –great, put them in the container behind our car. If they're notcrushed, put them beside the plastic tub and we will crush them. Some cat food containers are aluminum so we will take them too! To be sure test them with a magnet. If they attach to the magnet, they are steel and we don't want them! Thank you for your support and help, Paul & Sally Brown #171 Newman St.

OR you can get creative with your aluminum, start a new class, and support the veterans with a new raffle item.

There is collection bin outside the laundry room for **plastic bags**, help us get another park bench by collecting 700 Lbs.
