The people who have run these rooms, games and activities for years are ready to turn it over to someone else, or at least get people that are willing to help carry the load. The **Corn Hole group** Organized cornhole play will **begin today** at 1:00 pm, at the Ranch House. Organized play will be every Monday and Thursday, at 1:00 pm. No major changes on play “guidelines”, so bring your cornhole bags and join the fun. Don’t worry if you don’t have your own cornhole bags, as there will be plenty available for people to use/borrow. Also, entry into the tournament play on Mondays and Thursdays will be \$1. Come join the fun! If you’re not into organized group play you can use the Boards and Bags that are kept in the tote on the side of the building and get a friendly game together with friends.

Golf Scramble Sign-up for Nov 14th starts today in Activities \$2.00 group fee, Contact Lori Apana @ 360-820-0278 for additional information & fees involved through Dave White Golf Course. Team list will be posted in Activities on Monday afternoon for play on Nov 7th at Dave White Golf.

Hiking – Weekly hikes on Tuesday mornings, leaving the parking lot by Activities at 8 AM. Start date TBD

The Motorcycle Group meets by the RC Track and SD2 Pool ready to ride at 10AM on Wednesday mornings. The long hot summer has come to a close and many of your friends are returning to Sundance for another great winter season of motorcycle riding here in AZ. This week's ride will be to Ajo. The group will be departing at 10AM from the Racecar Track in SD2. This ride is approximately 230 miles round trip

Pickleball News – While organized play doesn't start until December, there has been an average of four courts going in the morning, and we know there are more players in the park. We would love to see you on the courts...Play usually starts around 8:30 AM. There has also been play at 6:30 PM most evenings. So **NO EXCUSES!** Get your paddles out and come up to the courts. We miss you.

RC Racers Hello, the RC Racers meet on M-W-F at 1 PM at the track. **Starts today**

Shuffleboard -- They meet at the boards behind Pool 2 and are ready to play at 9:30 AM, M-TU-WE & FR with beginner shuffleboard/orientation on Monday mornings at 11:30 AM directly following the morning shuffleboard session. Everyone is welcome, if you have never played, they will teach you. The cost is .50 cents to play each day, come join the fun.

Let's go to the Ballgame..... The 2024 Fall Softball Schedules are now available in the Activities office. The first game is Thursday November 7th at 11:30 AM against the Palm Creek Diamondbacks at the Palm Creek Field. Come out and support the Sundance Mustangs. They are always looking for new players (Men and Women), Contact information is on the Softball Clipboard in the Activities office.

Have you visited the Ranch House in SD 2 yet? At the Ranch House we have Bocce Ball, the Library, pool table, Jenga, Corn Hole, Connect 4, puzzles, read a copy of the News Blast, and schedules---review the book of events, gather for a game of cards, reserve space for your private party.

Your **Activities team** is working hard to get the Activities scheduled and stay current on the daily changes. We're getting closer to a full schedule as Coordinators and monitors are starting to return to the park. Stop in and say hi! and check out the Main Events and Tag Alongs we already have scheduled this year when you go check your mail. We're open to suggestions.

(Coordinators if you haven't already, PLEASE contact Activities ASAP with ACTIVITY START DATES so schedules can be accurately updated.)

Name tags and guest passes– Are required to be worn in the park and for participation in park activities. Park activities with the exception of some special events i.e. dances are NOT OPEN to the public. ALL guests must wear a guest badge obtained from and returned to the main office when they leave, if after hours they may drop them in the drop box outside the Activity Office.

It has been noted that many outside residents have retained guests passes and continue to use them to access our activities, thereby limiting participation of our residents. Please note that the “WHITE GUEST PASSES” are expired and no longer valid. Guest passes when issued are now issued in varying colors and changed on a regular basis to make it easier for activity coordinators to determine validity of current passes.

Please be mindful of **blocking the street** with vehicles, please do not congregate in the middle of the street to visit on your golf carts, or double park vehicles, etc. The roadways

must be kept clear for general travel, large campers, trailers, emergency vehicles, and to pass through.

DO NOT PULL into the trash area when the trash trucks are present in SD 1, this is difficult for the trash drivers to see you and causes a hazard to yourself and the trash truck as they try to maneuver in tight area.

Group Highlights

PING PONG -- Table tennis and ping-pong are essentially the same game and there are no major differences between them. The real difference, however, is one of perception. Table tennis is the serious, competitive side of the sport in which people compete in leagues and cup competitions across the world, as well as in international championships. Ping-pong is an almost identical game (although there are several variations, including the well-known game of beer pong, of course) that is played in a much more informal and social way. While not all might agree with these differences, many prefer to play the more social game of 'ping pong' and may make some slight adjustments. If you think you might enjoy playing Ping Pong, join the group on Monday evenings at 7 PM in the Hang out Room.

Shuffleboard -- Is a game in which players use cues to push weighted discs, sending them gliding down a narrow court, with the purpose of having them come to rest within a marked scoring area. The objective of the game is to slide, all four of one's Weights alternately against those of an opponent, so that they reach the highest scoring area without falling off the end of the board into the alley. Furthermore, a player's Weight(s) must be farther down the board than his opponent's Weight(s), in order to be in scoring position. This may be achieved either by knocking off the opponent's Weight(s), or by outdistancing them. Sundance has 10 shuffleboards located in SD 2 behind the pool, they meet M – W and F at 9:15 for organized play, and have beginner's shuffleboard at 11:30 AM on Mondays.
