Volunteering is an elective and free-choice act where individuals freely give their time and labor willingly to help others. Only a small percentage of you are willing to give a few hours a week, or a few hours a month, and help out as needed. To the small percentage THANK YOU!!!!

As a result, we have rooms that can't open, games that haven't started, and things have been canceled.

“I don't volunteer, I like to hike and play pickleball, shuffleboard, lay around the pool, go to the dances, enjoy the holiday meals, bingo, ceramics, lapidary, stained, glass, playing cards. The park has so much to do, I never get bored, I love it here. I've worked long enough doing what others wanted me to do. Retirement is time to do what I want to do.”

Unfortunately, someone has to plan, coordinate, and run all these events that you enjoy, and they need your help. The people who have run these rooms, games and activities for years are ready to turn it over to someone else, or at least get people that are willing to help carry the load. Activities is a small team, and we need help with decorating and holiday meal serving, concessions, taking tickets, take down, etc. Anyone can help put away chairs and tables after bingo or the dance, etc. Our craft rooms need monitors and Coordinators.

URGENT NEED.....CERAMICS NEEDS A COORDINATOR (COULD BE SHARED WITH ANOTHER LIKE-MINDED PERSON) AND MONITORS, IN ORDER TO OPEN THIS YEAR.

MONITORS ARE NEEDED FOR Lapidary, & Computer Room in order to open and stay open on a regular schedule, they'll train you.

Need volunteers to help set-up, decorate and serve Thanksgiving dinner in a quick and orderly manner. Watch for a schedule on an upcoming day of “let's make centerpieces.”

As the weeks proceed, we'll be looking for help with additional decorating, holiday meal serving, and clean-up, Western Days, dance ticket/monitors, concessions, Park Ambassadors and more. Check the “many many” events on the schedule, pick something you might be

interested in and get involved. Talk to the Activities Office or the specific activities coordinators and let them know you're ready to help them out.

CERAMICS SHOP – CLOSED

- **COMPUTER ROOM** - Is OPEN, but they'll need monitors to maintain a regular schedule.
- **Lapidary Shop** - is open in the mornings, but doesn't have any monitors to keep it open a regular basis, can you help?
- **STAINED GLASS** – Closed - Will open Nov 18th.
