- **Motorcycle Ride Wednesday December 18** Meet at the RC track for departure at 10:00AM. This week we will be travelling a familiar route to most riders...with a couple of changes. First we will head for Picacho and a brief “butt break”. Then we will head for Oracle and instead of passing it by, we will turn in to Oracle and track down the Ore House Hilltop Tavern who claims to be “a cozy historic bar and grill serving smoked meats and burgers.” They also say they have a fireplace! Oracle is at 4500 ft so wear warm clothing. Let’s see if it is an upgrade for the typical stop we have made at Little Casita in Mammoth. After lunch it’s Hwy 79 to Cactus Forest Rd and home. Trip distance is 150 miles and should take 4 -4 1/2 hrs including lunch. Merry Christmas to all and Happy New Year as well.
- **Pickleball** - Pick up schedules in the Activities Office or at the courts.
- **RC Racers** -- The group meets at 1 PM at the track across from Pool 2
- **Shuffleboard** -- 9:30 try to be there by 9:20 so we can start at promptly @ 9:30, If the wind is blowing more than 10 mph and the flags are blowing straight out it’s too windy for shuffleboard.

Sundance Dessert Theater About 18 years ago a group of park residences got together and created The Sundance Dessert Theater with the idea of putting on a play with amateur residents of the park. It worked! Together with a group of support staff both behind the scenes of the play and a wonderful group who decorated and served a delicious dessert afterwards the Dessert Theater was born.

The play, which went on annually for almost 15 years, had the stage lights darkened by Covid. It made a return in 2023 but 2024 found problems that made it impossible to have the play go on. This year, with a devoted director, we have returned, planning for 3 performances at the end of February. All we need are the actors and the wonderful support staff. Tryouts and signups for support staff will be on Monday, December 30th, at 3:30pm in the Hang Out Room. Watch for future additions of the NewsBlast for more details.
