LINE DANCE UPDATE 2025 -- Hi Dancers! The Absolute Beginner Class will be referred to as Line Dance One. Carolyn Casinger will lead it on every Friday, starting January 3rd from 10 AM - 11:30 AM at the Buttes. You will learn basic steps and dances. The Line Dance Two class will be led by Jan Waters. It will be held every Tuesday starting January 7 at 10 – 11:30 at the Buttes. If you know a few line dances and steps, this is the class for you. In both classes you will learn dances that we do at the local resorts and at the Tumbleweed. Both classes cost \$5 each. Please wear comfortable, secure shoes. Hope to see you there.

Sundance Dessert Theater Why would you want to be in the Dessert Theater?

- 1) Have fun.
- 2) Make new friends.
- 3) Challenge yourself.

We can't say it's easy, there is a commitment, practices are held several times a week, in the later afternoon so you may have to give up your happy hour now and then. They start the first week in January and run through show time the last week in February. You will have to memorize your lines though one of the support people is a prompter that is behind the scene to help if you get stuck. Try outs will be Monday, December 30, at 3:30 in the Hang Out Room. We'll run through the play so you have an idea what it's all about. We will also have recruitment for back stage help (like the wonderful prompter) as well as the dessert portion of the show.

If you have any questions, please contact Cheri O'Brien 763-258-6901 or Alice Neuok 414-218-4643. Hope to see you there.

Do you ride a bicycle, either manual or electric? As with golf carts, motorcycles, cars and trucks, the stop signs and speed limits apply to you too!

I seen that! You just walked your dog down the street and let him poop in the neighbor's front yard, yesterday you left his mess in the storage area when you walked him/her around over there, and the day before that you left a pile in the dog park for someone else to clean up. Shame on You!

Respect our neighborhood clean-up after your own pets.

To clean up after your pet, follow these tips

1. Use a dog poop scooper and dog poop bags to remove dog poop from soil.
2. Dog poop is not a natural fertilizer, so it's important to clean it up.
3. Prevent accidents by training your pet and using a leash.
4. Use clever hacks to make cleaning easier.

Informed residents are engaged residents, and in order to be an informed resident, you need to stay up to date on news, activities and events. Doing so will allow you to be more active in the park community and ensure you don't miss "A THING"
