Oooo, you know that “Big RED Button” in the pool areas..... Please don’t push it if it’s not an emergency. This Big RED Button shuts down the pool system, and then we have to shut down the pools for 24 hours to reset everything and bring them back up to temperature. ☹️ **AND** We appreciate that you want to turn off the HotTubs when you get out, but Please just let the time run out. DO NOT un-wind the time backwards, this destroys the timing mechanisms ☹️

WHY WEAR A NAME BADGE?

****It helps us identify you in the event of a medical emergency due to fall or injury. (Not many of us walk around with our ID in the park) Speaking of emergency contacts...be sure you update your emergency info with the Main office?**

**** For security reasons, it helps us identify our Sundance Residents,**

**** Your badge is required to participate in any of our activities/activity rooms, (I’m afraid you won’t be able to play bingo, enjoy ceramics, lapidary, stained glass, the sewing room or the computer room without it, what about the art barn, gourds, exercise rooms and billiards?) Oh my!**

POOP POETRY

Mr. Smith walking down Newman
 Slipped on the mess of his neighbor’s big golden.
 Now he’s scrapping his shoe looking rather sad.
 Never would have happened if the cad had put it in a
 bag.
 Guide dog, gun dog, guard dog, stray, just put it in a bag
 man.

Wolf hound, blood hound, pug, Pekinese, just put it in a bag man,
don't be a tease.

Inside out, give it a good firm grab. Just put it in a bag man.
So remember in the event of your Chihuahua, Shiztsu, Pekinese, or
Weimer Heimer fouling the street, don't be a cad, just put it in a bag man.

Pet Policy...

- Pets must be on an 8' leash when outdoors at all times. The only off leash area

are the dog parks. Pet must be attended at all times while outside. The City of Casa Grande also has a leash policy for pets, so ensure pets are on leash when walking outside the gates of the park.

- Pets are only allowed on your own site, a site with occupant's approval, in the pet run area or on the **black top portion** of the roads inside the park. When walking within the park, stay to the pavement, keeping your pet off the sidewalks.
- Pets are only allowed to relieve themselves on the pet owners designated site, the dog runs or the designated Pet Relief Areas around the retention ponds located

throughout Sundance 1. Pets are not allowed inside the retention ponds. In respect to your fellow park residents, we ask you keep your pets to these designated "relief" areas and away from other residents' lots, empty sites and park

easements. Pet owners must pick up after their pets at all times.

- Pets, with the exception of service dogs, are not allowed in any of the park buildings, sport recreation areas or pool areas.

You are allowed a maximum of 2 pets per site, no exceptions. Large dogs over 40 lbs. must be approved by Management.
